RE : Practice sessions and grid

According to Art. 5.5 and 26.1 of the 2024 AAMC Motorcycle Championship Regulations, “There will be one free practice (5 minutes) and one qualifying practice (10 minutes). Qualification of the Race 1 will be based on the fastest time recorded by the riders in qualifying practice.”

Due to the fact that the Rounds 5 & 6 of Mini Bike Class are held on the same day of 7th July, 2024, for those entries on both Rounds 5 & 6, the free practice and the qualifying practice sessions will only be ONE for each practice, and the grid of Race 1 for BOTH Rounds 5 and 6 will use the SAME time in qualifying practice.
